I hope to be available to act as a doctor or paramedic at the TT Course events I have ticked below.	<input type="checkbox"/>
I am unavailable this year but keep my details on file and contact me for 2009 OR earlier for ACU/FIM medical matters.	<input type="checkbox"/>
Please remove me from your list.	<input type="checkbox"/>

I understand an availability form for the TT Festival will be sent to me nearer the time so I can then indicate which of the 6 TT practice sessions and 4 TT race days I will be able to cover. I understand this will depend on the travelling dates I am able to arrange.

I will make my travelling & accommodation arrangements for these events ASAP.
